

Company Name: \_\_\_\_\_

A company's success depends on it's team!

(Each Hour = approx 2.5 minutes of time)

	<i>Hour 1</i> <b>PLAN</b>	<i>Hour 2</i> <b>BUY</b>	<i>Hours 3 &amp; 4</i> <b>MAKE</b>	<i>Hour 5</i> <b>SELL</b>	<i>Hour 6</i> <b>LUNCH</b>	<i>Hour 7</i> <b>REPAY</b>	<i>Hour 8</i> <b>EXPENSES</b>
	( As a team plan how much to spend on raw materials, other business expenses and save to pay back loan - all teams start with a \$200 loan from the bank)	(Purchasing buys raw materials to make product from the Wholesaler)	(Team works together to manufacture and decorate the product)	(Sales team sells to customer)	(Entire team must eat quietly - no working during lunch!)	(Accountant works with the banker to repay the loan & records all transactions)	(Administration buys office supplies at Office supply store)
